Started like a pan-Romanian forum, the conference has grown and reached the 13th edition attracting many specialists from different countries. The aim of the conference is to provide an opportunity for academics, practitioners and researchers to debates new achievements or concepts, approaches and innovative practices within the continuously progressing world of electromechanical and power systems.

TOPICS

- Automation, Robotics and Mechatronics
- Electrical Apparatus
- Electrical Machines
- Electrical Traction and Automotive Equipment
- Electromagnetic Field and Electrical Circuits
- Engineering Education and Evocations
- Industry Applications
- Management and entrepreneurship
- Materials, Eco-design and Electro-ecology
- Metrology and Measurement Systems
- Power Electronics and Drives
- Reliability and Diagnosis
- Energy Efficiency and Renewable Resources
- Power Generation, Transport and Distribution

IMPORTANT DATES

- ~~25 June 2021~~ **10 July 2021** - submission of the paper proposal
- ~~10 July 2021~~ **20 July 2021** - notification of acceptance
- 10 September 2021** - submission of camera-ready papers & early registration payment

PARTICIPATING IN THE CONFERENCE

- The conference will be held as a **hybrid event**, a mix of physical and virtual participation;
- Official languages of the symposium: English;
- Submitted papers must be original work with no substantially overlap with papers that have been published or that are simultaneously submitted to a journal or conference with proceedings.
- All submissions (initial and final) must be made on-line. Paper submission details and the author kit are available on conference website. Accepted papers will be published in a dedicated **IEEE proceeding**.
- All papers must be presented either in oral session or in poster session, otherwise won't be published in **IEEE Xplore database (Conference Record # 53755)**. Pay to publish is not allowed in IEEE.
- Extended versions of selected presented papers will be invited to be published in special issues of The Bulletin of the Polytechnic Institute of Iasi or Annals of the University of Craiova

OTHER ACTIVITIES

- Following the participants proposals, several workshops and seminars will be organized
- A parallel special student session, with the same topics
- Special wine testing trip to the famous Cricova or Mileştii Mici wine-cellars (extra fee)
